3. Please note: You must fill out this form completely and correctly. This form is designed to print labels on page 2. You as the Seller are responsible for permanently attaching the labels to each bag. The labels are designed to print out on plain paper, two columns by 10 rows. Cut the labels out and tape them on your bags. When you type in your Seller Number provided by the Auction Chairman above, that Seller Number will automatically be inserted on each of the labels. You are responsible for the correctness of the form and labels. Check your address and phone number. Remember: Both a Seller Number and telephone number must appear on each tag or you will not be paid!
